Suppliers along our route

All those featured on the map are found along our route which helps to reduce our footprint, minimise food waste and work together on more sustainable packaging.

Suppliers of the season

Meet some of our hand picked suppliers who create the delicious and sustainable food and drink for this season's First Class menu, all sourced close to the tracks of the West Coast Main Line.

Forest Distillery

Forest Distillery is a small family business that creates world class spirits using locally sourced, organic ingredients and pure water from an ancient spring. They distil a delightful bespoke gin, called Forest to First, exclusively for our customers to enjoy.

Flavoured with botanicals foraged from Macclesfield Forest and brewed at altitude in the Peak District, Forest to First captures the wild beauty of the West Coast in a glass. Cheers!

Just Crisps

Wade Lane Farm, the home of Just Crisps, nestles in the Trent Valley close to the West Coast Main Line. Almost everything that goes into these tasty snacks is grown on the farm, from the Taurus and Lady Rossetta potatoes to the extra-virgin rapeseed oil used for frying. One of only a handful of crisp producers to be recognised by the Great Taste Awards, Just Crisps are hand cooked, seasoned and bagged in 10 minutes, fresh for you to enjoy onboard.

Brew Tea Co.

Phil and Aideen share our love of proper tea, which they blend at their Tea HQ in Manchester. Made from the whole leaf, picked at the right time by real people on farms they know, every cuppa is bursting with flavour.

Brew Tea pick the best, biggest leaves to lock in essential oils for a richer, deeper, full-bodied taste. Proudly B Corp certified, Brew Tea only work with ethical suppliers and only use plastic-free packaging. Sound like your cup of tea? You're always welcome to drop by Tea HQ to see what's brewing.
