

The Imagination Station

Trains, games and
colouring-in

Name _____

Age _____ (no judgement, adults)

Safe travels

Happy train games

Because you're never too old (or too young) to play a Pendolino dot-to-dot or try your hand at dispatching trains from your sofa.

Inside this pack you'll find games and puzzles to help bring a little fun to this journey we're on together. We might not be travelling with you right now, but we're with you every step of the way.

Now, enough of the feelings. Go and find your felt tips.

Take care. Stay safe. And we look forward to travelling with you again soon.

01

Pendo dot-to-dot

Are you **dotty** for tilting trains?

Simply join the dots to reveal one of our Pendolino trains – they're the high-speed, electric tilting ones by the way.

Design your own train

Roll out the dream machine

Stripes? Spots? Rainbow-coloured? Let your imagination run wild – design a livery of your own.

(‘Livery’, pronounced liv-uh-ree, is the name for a train’s ‘coat’ – the decoration on the outside of the coaches.)

04 Pendolino colouring-ino

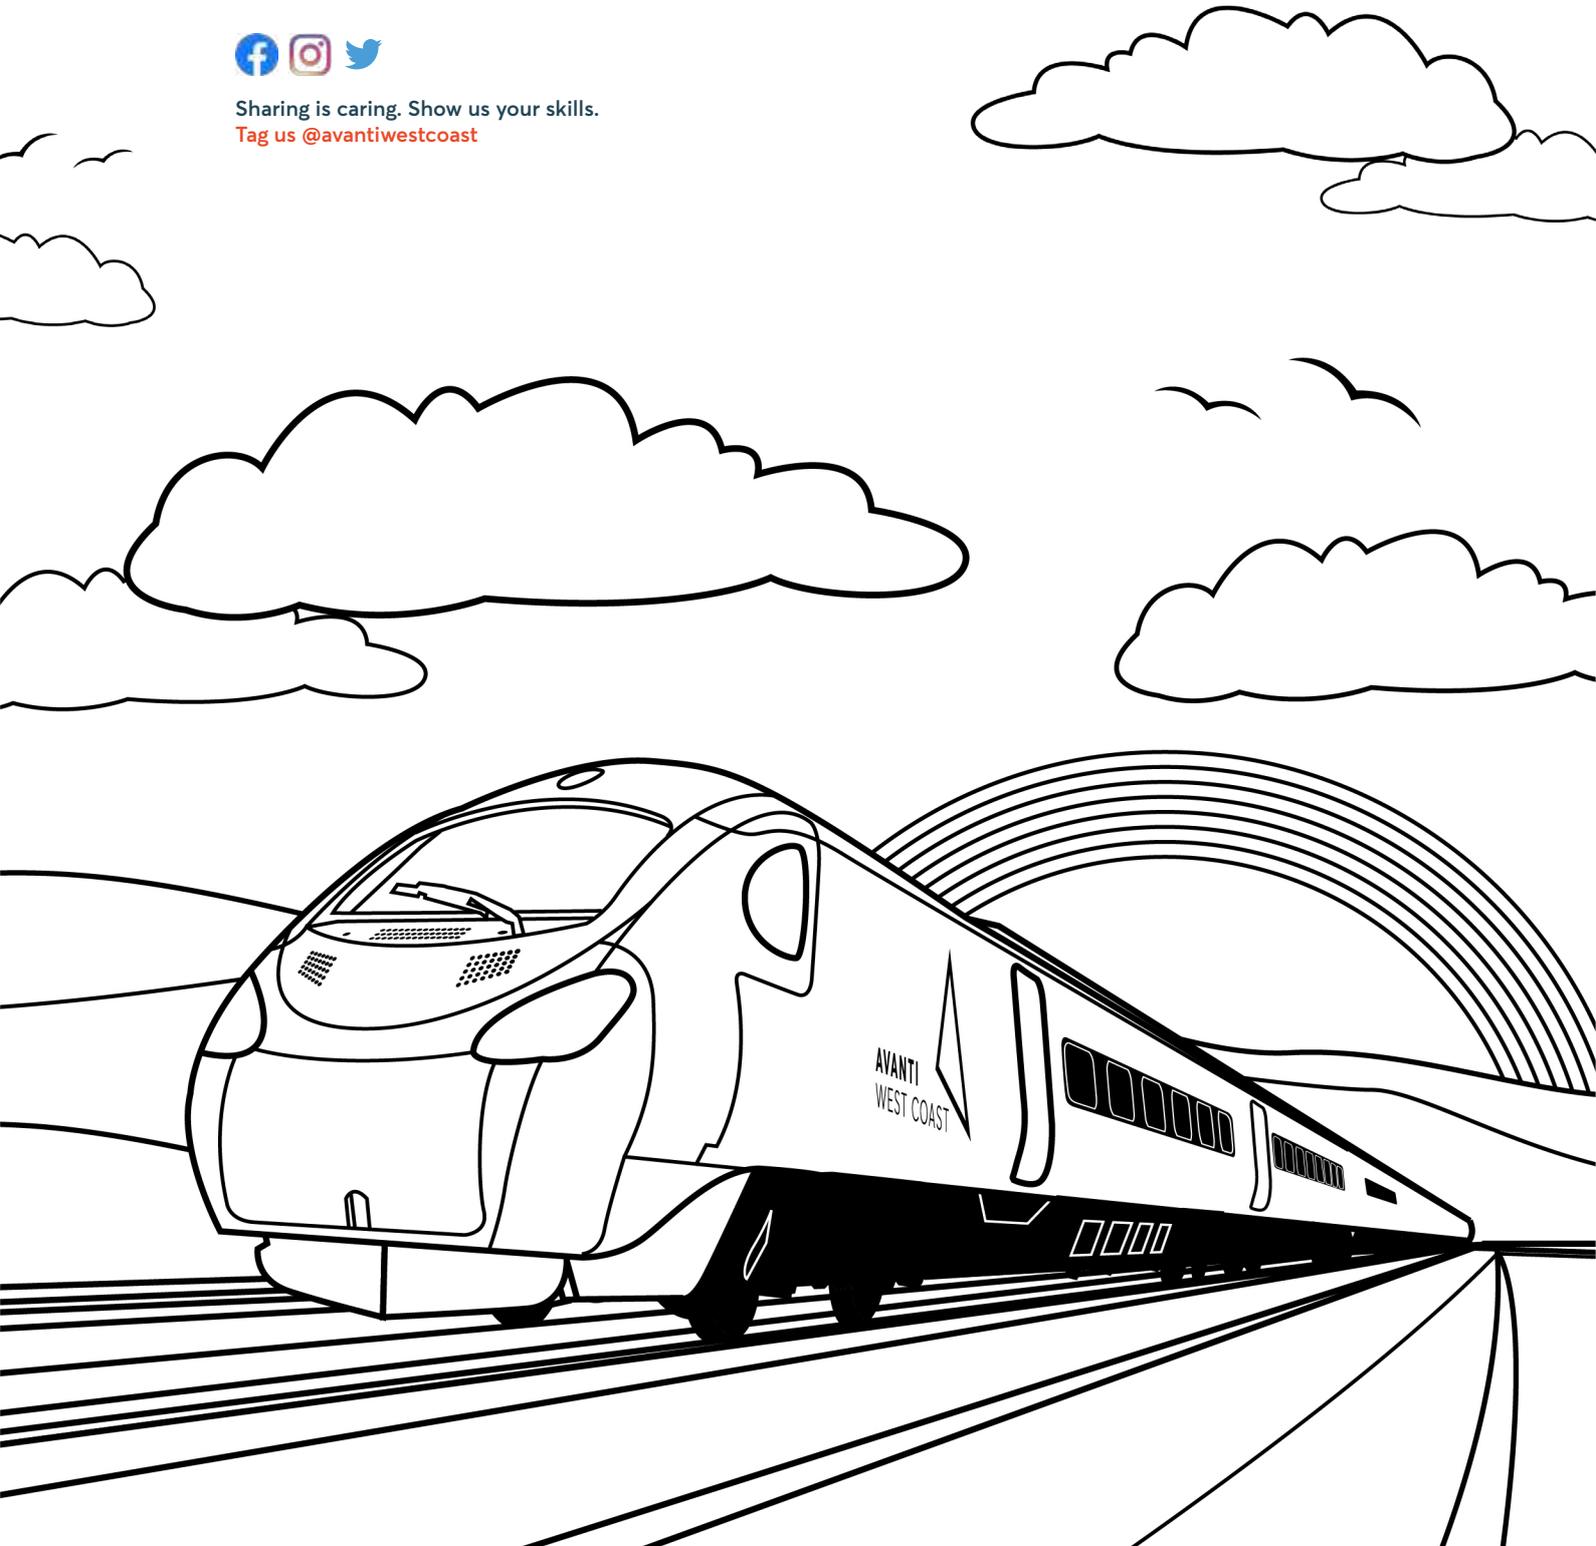

Show your true creative colours

Colour between the lines and bring this Pendolino to life in your own way. And remember, colouring-in is really relaxing for us, including adults. Just don't lose the lids.

Be a Train Dispatcher

Time to take to the platform

Try your hand at becoming a Train Dispatcher. This person's job is to get customers safely onboard and to make sure the train leaves the station on time.

What to do:

1. Put the steps in the correct order
2. Turn your sitting room into a station
3. Practise your best whistle and play your part

<p>Step: ____</p> <p>Wait for all the train doors to close and lock – it's almost time to go!</p>	<p>Step: ____</p> <p>Lift up your baton! It's time to go!</p>	<p>Step: ____</p> <p>Check that all your passengers are safely getting on and off the train – does anyone need any help?</p>
<p>Step: ____</p> <p>Lift up your baton towards the Train Manager so that they know it's safe to go</p>	<p>Step: ____</p> <p>A train is approaching! Make sure everyone is behind the yellow line and give a big wave to the train driver to say hello</p>	<p>Step: ____</p> <p>Choo-choo! Your train is on the move!</p>
<p>Step: ____</p> <p>Check the platform one last time</p>	<p>Step: ____</p> <p>What time is your train due to leave? Check the clock</p>	<p>Step: ____</p> <p>Check that the signal is green for go!</p>

07 Spot the difference

Can you solve the case of the missing snacks?

It's a mystery. Both buffet trolleys should look exactly the same, but some goodies have disappeared from trolley B. Play detective – circle where the seven missing items should be.

How did you do?

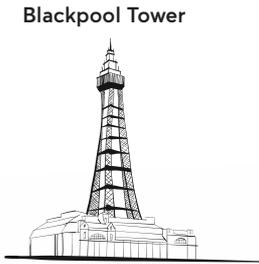

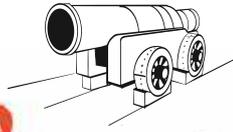

No peeking. Have a good go at the puzzles and check back once you're all done.

We're sure you've done pretty well and what you didn't know... well, now you do. After all, every day's a school day.
